GMA Practicum Project: Clarkston Community Outreach.

City Manager, Shawanna Qawiy stated the University of Georgia, Department of Public Administration and Policy/School of Public and International Affairs has agreed to participate in the Georgia Municipal Association Local Government Practicum program to provide recommendations for inclusive outreach strategies for more public feedback and community communication.

To allow the University of Georgia, Department of Public Administration and Policy/School of Public and International Affairs students to present their findings related to an inclusive community outreach plan for the City of Clarkston.

The City of Clarkston applied for the Georgia Municipal Association Local Government Practicum program to allow students to develop an inclusive community outreach plan. The students were asked to research, analyze, and provide recommendations on how to be more inclusive in outreach strategies to allow for more public feedback and community communication.

The city is seeking to determine alternative methods that will include feedback from our diverse residents and how the government works.

This item will be placed on the next City Council agenda.

B. Employee Recognitions: Clarkston Police Department Sergeant R. Koirala, Officer R. Dillard, Officer S. Smith, and Hakeem Ayuba in the Public Works Department.

City Manager, Shawanna Qawiy recognized the hard work and dedication of city employees in the police and public works departments who have chosen to go above and beyond the call of duty and regular working hours to make the City of Clarkston great.

It is important to keep our employees motivated and encouraged to continue to be the best that they can be. It is also important to provide support and guidance by offering opportunities for (public) recognition that will showcase their outstanding performances, dedication, and service to the City of Clarkston.

Therefore, the Administration along with the support of the respective departments and the Mayor and City Council would like to recognize the selfless work of Sergeant R. Koirala, Officer R. Dillard and Officer S. Smith for the kindness and sensitivity they bestowed upon a resident. Also, to Hakeem Ayuba who had the tenacity to go above and beyond to keep the city looking its best.

2. Project Description

Goal

To assist the City of Clarkston in developing an *inclusive outreach plan* that promotes public feedback and community communication

- **Analyze the current outreach status** in Clarkston and **identify any challenges**

- **Investigate best practices** from benchmark cities to address those challenges

- Based on the findings, **suggest recommendations for promoting inclusive outreach**

II . Outreach Status & Challenges

III. Best Practices

1. Selecting Benchmark Cities and Best Practices

- Researched cities with **high population diversity** (ex. San Francisco, San Diego, Saint Paul, Boston) due to immigration and refugee influx, as well as cities that have **actively implemented inclusive outreach policies**
- Focused on the **small and medium-sized cities** (ex. Lebanon, Decatur, Ukiah) with populations of less than 100,000 to examine the cases of cities with similar sizes to Clarkston
- **Excluded** programs that are **already implemented** in Clarkston City or **require a significant budget and workforce**, resulting in high administrative costs

2. Best Practices

RESOLUTION No. _____

**A RESOLUTION
PLEDGING TO PRACTICE AND PROMOTE CIVILITY IN THE CITY OF CLARKSTON**

WHEREAS the City of Clarkston Mayor and City Council, the City Council, the governing body of the City of Clarkston, Georgia (the “Municipality”), recognizes that robust debate and the right to self-expression, as protected by the First Amendment to the United States Constitution, are fundamental rights and essential components of democratic self-governance; and

WHEREAS, the Clarkston City Council further recognizes that the public exchange of diverse ideas and viewpoints is necessary to the health of the community and the quality of governance in the Municipality; and

WHEREAS, the members of the Clarkston City Council as elected representatives of the community and stewards of the public trust, recognize their special role in modeling open, free and vigorous debate while maintaining the highest standards of civility, honesty and mutual respect; and

WHEREAS, City of Clarkston council meetings are open to the public and thus how City officials execute their legal duties is on public display; and

WHEREAS, civility by City officials in the execution of their legislative duties and responsibilities fosters respect, kindness and thoughtfulness between City officials, avoiding personal ill will which results in actions being directed to issues made in the best interests of residents; and

WHEREAS, civility between City officials presents an opportunity to set a positive example of conduct and promotes thoughtful debate and discussion of legislative issues, resulting in better public policy and a more informed electorate while also encouraging civil behavior between residents; and

WHEREAS, civility between City officials is possible if each member of the elected body remembers that they represent not only themselves, but the constituents of their district and city; and

WHEREAS, in order to publicly declare its commitment to civil discourse and to express its concern for the common good and well-being of all of its residents, Clarkston City Council has determined to adopt this resolution.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

SECTION ONE

The City of Clarkston pledges to practice and promote civility within the governing body as a means of conducting legislative duties and responsibilities.

SECTION TWO

The elected officials of the Clarkston City Council enact this civility pledge to build a stronger and more prosperous community by advocating for civil engagement, respecting others and their viewpoints, and finding solutions for the betterment of the City of Clarkston.

SECTION THREE

This pledge strives to ensure that all communication be open, honest, and transparent as this is vital for cultivating trust and relationships.

SECTION FOUR

This pledge strives to show courtesy by treating all colleagues, staff and members of the public in a professional and respectful manner whether in-person, online or in written communication, especially when we disagree.

SECTION FIVE

This pledge strives to ensure mutual respect to achieve municipal goals, recognizing that patience, tolerance and civility are imperative to success and demonstrates the Clarkston City Council's commitment to respect different opinions, by inviting and considering different perspectives, allowing space for ideas to be expressed, debated, opposed, and clarified in a constructive manner.

SECTION SIX

This pledge demonstrates our commitment to violence and incivility in all their forms whenever and wherever they occur in all our meetings and interactions.

SECTION SEVEN

The City of Clarkston expects members of the public to be civil in its discussion of matters under consideration by and before the City of Clarkston City Council, with elected officials, staff, and each other.

EMBRACE CIVILITY

CIVILITY PLEDGE

The way we govern ourselves is often as important as the positions we take. Our collective decisions will be better when differing views have had the opportunity to be fully vetted and considered. All people have the right to be treated with respect, courtesy and openness. We value all input. We commit to conduct ourselves at all times with civility and courtesy to each other.

EMBRACE

CIVILITY

WHAT IS CIVILITY?

Civility is more than just politeness. It is about disagreeing without disrespect, seeking common ground as a starting point for dialogue about differences, listening past one's preconceptions and teaching others to do the same. Civility is the hard work of staying present even with those with whom we have deep-rooted and fierce disagreement.*

WHY CIVILITY MATTERS FOR CITIES?

- 1 Civil behavior and speech are critically important to a healthy, functional and respectful society.
- 2 A 2019 survey revealed that 93 percent of Americans believe that incivility is a problem, with 68 percent identifying incivility as a major problem.**
- 3 Cities need a plan to counteract the growing polarization and challenges caused by incivility.

*The Institute for Civility in Government

** Weber Shandwick's annual poll, Civility in America 2019

“

Civility fosters respect, trust, and belonging. By modeling and practicing civility, city leaders set an expectation that vigorous debate and vetting of ideas can be respectful and productive, leading to better engagement and outcomes for all.

EMBRACE CIVILITY

9 PILLARS OF CIVILITY

Be considerate of others' opinions. It's ok to agree to disagree.

Think about the impact of your actions and not the intent.

Manage your emotions. Get curious instead of furious.

Ask questions to learn. Answer questions with respect.

A silent voice is not always a weak voice. Sometimes it's ok not to respond.

Remember the acronym QTIP (Quit Taking It Personal).

Be Kind! Make your point about the issue, not the person.

Have empathy! Just because you have not experienced it, does not mean it does not exist.

Actively listen, to learn how to Engage respectfully!

REQUEST TO PRESERVE EVIDENCE**
Date of Incident: September 14, 2021
Location of Accident: Riverdale, GA
Our Client: Larry McClam

Dear Madame/Sir:

Please be advised that we are representing Mr. Larry McClam, where Mr. McClam was falsely accused and implicated by members of the Riverdale Police Department, who is also his employer, of acts of misconduct that subsequently resulted in his arrest, demotion, character assassination and humiliation.

On September 14, 2021, our client Larry McClam was at work as a police officer for Riverdale Police Department when he was made aware of a warrant against him and that he needed to answer to this warrant by turning himself in. He then left work to prepare to turn

himself in. He returned to work to turn himself in around 5pm on September 14, 2021 and the intake process began. After several hours of processing, our client was released on signature bond. He then went to Riverdale Police Department to turn his gun and badge over to Internal Affairs contact Officer Threat; he was informed at that time that he should not be surprised if his story came out in the media. The next morning, his story was all over the news. He was then assigned to desk duty with no gun or badge.

Allegedly, after reading the allegations against him via a Clarkston Police Department's report, our client realized that it was actually Riverdale Police Department that had falsely implicated him in an incident and shared false information with Clarkston Police Department that placed him at a location committing unlawful acts, causing his arrest and demotion. Riverdale Police Department denied the allegations against them made by this report and corroborated that our client DID NOT in fact commit any acts that should have had him arrested and demoted. Next, the Riverdale Police Department began retaliatory tactics against our client. Due to the stress of this hostile work environment, and in addition to all that has already occurred, additionally, our client has had to take extended leave from work and have suffered mental and emotional stress.

Pursuant to O.C.G.A. § 33-3-28, please provide our office with the name, address and phone number for each insurance company providing coverage to you for our client's claim. Please also provide within sixty (60) days of receiving this letter, a statement under oath setting forth the following information:

1. identify each known liability and casualty policy of insurance issued by your company applicable to this accident, including excess or umbrella insurance;
2. state the name of the actual insurer;
3. state the name of each insured;
4. state the limits of coverage;

You may provide a certified copy of each policy's declaration page instead. Please note that not only should this information be provided in regard to the above-mentioned policy, but your company must also provide this information in regard to all other applicable insurance policies issued by your agency. In addition, your insured must furnish the name of each insurer which may provide additional liability and casualty coverage for this accident. The applicable policies should include umbrella policies, excess liability policies, and all other liability and casualty policies issued in the name of the insured.

Also, it has been brought to our attention that you or your insured may have obtained photographs and/or videos of the incident. **Please ensure that all photographs and/or videos taken for any purpose regarding the incident from September 14, 2021 are properly preserved for use as evidence in this case.**

WITH RESPECT TO THE ABOVE-REFERENCED INCIDENT,

PLEASE PRESERVE THE FOLLOWING:

1. Any and all statements taken of witnesses concerning the incident that occurred on or about September 14, 2021 involving Larry McClam;
2. All witness summaries and investigative memoranda prepared by City of Clarkston/Riverdale Police Department concerning the above-referenced incident;
3. **All tape recordings, photographs, video tapes, surveillance, or digital images depicting the above-referenced incident as well as the area where the incident occurred for a one-hour period prior Larry McClam's incident;**
4. Any and all record of communications by and between City of Clarkston/Riverdale Police Department and Larry McClam regarding the above-referenced incident, including but not limited to audio tapes or other forms of recordation;
5. Any and all photographs pertaining to Larry McClam or to the above-referenced accident;
6. Other tangible items of material from the property in question or secured from the area immediately surrounding Larry McClam at the time of his incident on September 14, 2021.

**CONTRACT TO PROVIDE PROSECUTING ATTORNEY
SERVICES TO CLARKSTON MUNICIPAL COURT**

THIS AGREEMENT is made and entered into effective this 1st day of January, 2023, by and between the CITY OF CLARKSTON, GEORGIA, a municipal corporation, hereinafter referred to as “CITY” and BRITTANY N. TRAMMELL, Attorney at Law.

W I T N E S S E T H:

WHEREAS, the CITY desires the services of BRITTANY N. TRAMMELL as City Solicitor, pursuant to Section 3.04 of the Charter of the City of Clarkston; and

WHEREAS, BRITTANY N. TRAMMELL is qualified to serve as prosecuting attorney of a municipal court pursuant to O.C.G.A. § 15-18-92(a) and desires to serve in said capacity as an independent contractor, rather than as an employee of the CITY; and

WHEREAS, it is the desire of both parties hereto to establish and set forth their mutual responsibilities one to the other.

NOW, THEREFORE, in consideration of the mutual promises contained herein, it is hereby agreed as follows:

1. Duties. The CITY hereby contracts with BRITTANY N. TRAMMELL to perform all functions and duties of the prosecuting attorney of the Clarkston Municipal Court (i.e., serve as City Solicitor) and to perform such other legally permissible and proper duties and functions as said position shall require. These duties shall include, but are not limited to, the following:
 - a. Prosecute cases within the jurisdiction of the City Charter, Ordinances, and Georgia State Statutes that are within the original jurisdiction of the Clarkston Municipal Court;
 - b. Perform advanced professional legal work involving the prosecution of defendants in misdemeanor criminal cases;
 - c. Participate in administrative and research functions in civil areas when so directed by the City Manager;

- d. Report to the City Manager as requested regarding the functions of the Municipal Court system;
 - e. Collaborate with the Municipal Court Judge to develop and carry out policies for trial procedures;
 - f. Coordinate with the Municipal Court Judge, Public Defender and Court Clerk to reduce or eliminate backlog of pending cases;
 - g. Annually review data gathered by the CITY regarding cases generated by the Clarkston Police Department and filed in the Municipal Court;
 - h. Prepare an annual report concerning Municipal Court operations and results and personally present that report to the City Council;
 - i. Annually review and recommend changes to the Clarkston Municipal Code which relate to Municipal Court; and
 - j. Make recommendations to the CITY to improve the financial or other operating conditions of the Court.
2. Independent Contractor. In performing the duties of City Solicitor, BRITTANY N. TRAMMELL shall serve as an independent contractor and not as an employee of the CITY. The CITY shall have no right or responsibility to control or influence the manner in which he carries out his prosecutorial responsibilities, save and except that BRITTANY N. TRAMMELL agrees to carry out his duties in a timely, consistent, fair and effective manner.
3. Term. This Agreement shall commence on the date set forth on page one and shall continue until December 31, 2023. This contract may be renewed annually upon the terms set forth herein or upon any other terms mutually acceptable to both parties. Notwithstanding the foregoing, BRITTANY N. TRAMMELL shall serve at the pleasure of the City Council. No rights, responsibilities, salary, or other benefits shall extend beyond the term of this Agreement and nothing in this Agreement shall be deemed

to vest in BRITTANY N. TRAMMELL any property interest in the duties, responsibilities, or compensation provided in this contract or any right to the continuation thereof.

4. Compensation. Effective January 1, 2023, the compensation shall be \$1,000 monthly. Payment shall be made on or before the last working day of each month this Agreement remains in effect.
5. Hours of Work. It is recognized that the hours devoted by the Solicitor in the performance of his responsibilities may vary with the caseload of the Court. The Solicitor shall report to the City Manager upon request the amount of time he is devoting to his duties as Solicitor.
6. Periodic Review. The City Council may review the performance and compensation of the City Solicitor by such method and at such times as the Council shall deem appropriate.
7. Dues and Subscriptions. The City Solicitor shall maintain membership in an appropriate statewide organization for City Solicitors and all fees required for such membership shall be paid by the CITY. In addition, the CITY encourages the City Solicitor to participate in national, regional, and state and local associations and organizations necessary and desired for her continued professional growth and advancement and to improve her performance as City Solicitor. Should the City Solicitor desire to incur any expenditure for any of the proposed activities outlined above, she may obtain prior consent from the City Manager of the CITY OF CLARKSTON, in which event the CITY shall be obligated to reimburse for such pre-authorized expenses.
8. Professional Development. The CITY agrees to reimburse the City Solicitor for registration, travel, and subsistence expenses for professional and office travel, meetings, and occasions deemed necessary or desirable to continue the professional development of the City Solicitor. The procedures for reimbursement referred to in paragraph 7 above shall apply to expenses incurred pursuant to this paragraph as well.
9. General Provisions. This Agreement shall constitute the entire agreement between the parties and supersedes any previous agreements or understandings. If any provisions or a portion thereof contained in this Agreement is held to be unconstitutional, invalid, or unenforceable, the

remainder of this agreement, or portion thereof, shall be deemed severable, shall not be affected, and shall remain in full force and effect. No other benefits, consideration, or compensation of any kind shall be due from CITY to BRITTANY N. TRAMMELL other than as set forth herein.

MEETING MINUTES

- A. CALL TO ORDER:** The meeting was called to order at 7:04 PM.
- B. ROLL CALL:** Chair Charles McFarland, Vice Chair Felicia Weinert, Lisa Williams, Herbert Clark. Absent: Birendra Dhakal.
- C. APPROVAL OF DECEMBER 2022 MEETING MINUTES.** Charles McFarland called for a motion to approve the December 2022 meeting minutes. Felicia Weinert made the motion to approve, Lisa Williams seconded, and the motion passed 4/0/0.
- D. NEW BUSINESS**
- PUBLIC HEARING:** To consider amendments to the Clarkston Zoning Ordinance and maps.
Chairman McFarland read the public hearing policy for the meeting and turned the meeting over to the City Manager (CM) Shawanna Qawiy. CM Qawiy stated the public hearing policy for the public and gave an overview of the purpose of the zoning rewrite and introduced the consultant team, POND and Company representative Rosie Mafe.

Rosie Mafe gave a presentation of the history of the zoning rewrite and the purpose of the public hearing.

After the presentation, board member Lisa Williams asked a question for clarification related to the definition of “live-work-unit” and the limited single family residential housing/neighborhoods in the city.

CM Qawiy announced the speakers for the public hearing. The speakers with their summarized comments are listed.

William Johnston- Smaller lot sizes (comments emailed) the Clemsil Overlay is too strict.
Rich Pasenaw- Smaller lot sizes.
Susie Grimley- comment emailed.

Martha Brock- recommends PZ board not approve the zoning rewrite.
Adrianna Berlin- preserve single family residential neighborhoods.
Anonymous comment mailed (parking of recreational vehicles on/off street
Ira Jenkins- no duplexes, triplexes, or quadraplexes in single family neighborhoods
Georgette Gafford- comment related to item 2 on the agenda that is deferred.
Amy Medford- more affordable housing, approve the zoning rewrite. No Clemsil Overlay.
Jamie Carroll-duplexes in NR-1, 2, 3; rent out basements, ADUs can create. another source of revenue for a homeowner.
George French- affordable housing does not mean build duplexes, triplexes, and/or Quadraplexes.
Susan Hood – smaller lots does not mean affordable. 8000 people per square mile, 428 single family homes in Clarkston, with over 14, 000 residents,
Debra Johnson- supports Clemsil Overlay. No duplexes.
Joshua Deaton- more options for homeowners, increase the number of chickens in yard to 6.
Awet Eyasu- increased growth in Clarkston; adding more does not mean affordable, approves increased height in town center.
Mark Perkins-supports the zoning rewrite changes and the balance.
Mark Osbourne/ Mrs. Osbourne- Clarkston most dense community in North America and state of Georgia. Keep it simple, there are many advantages to single family homes. Mrs. Osbourne disagrees with duplexes, triplexes. and quadruplexes in single family neighborhoods.

After a dedicated session of public comments during the public hearing, Chair McFarland closed the public comments and hearing.

Chair McFarland asked the Planning and Zoning Board members if they had any additional questions or comments.

Vice Chair Felicia Weinert made a comment on not being in control of development costs. Referencing cottage homes starting at \$100K.

Lisa Williams posed a question to POND (Rosie Mafe) related to setback averaging in historically preserved district. Using the reference of 3 lots with one vacant lot in the middle the consultant explained that it is the average of the front/side setbacks of the constructed lots to create a minimum (front/side) for the future construction of the vacant lot.

Lisa Williams made comments related to the (city) not having affordable housing programs, that are needed. The zoning rewrite does not help homeowners. The rewrite should include a plan for homeowners.

PZ Board member Herbert Clark commented on how Clarkston is represented by 63 countries and does not understand why there aren't any affordable housing options for the city.

Chairman McFarland commented on how the rewrite reflects negatively on homeowners/ homeownership. He stated that he lives in the NR-3 district surrounded by apartments and that the current changes may also affect the current homeowners and developers. will increase development costs.

With no further comments or discussions or comments Chairman McFarland asked for a motion. Herbert Clark made the motion to table the zoning rewrite for 30 days. No member seconded the motion did not carry.

Another discussion took place amongst the Planning and Zoning Board members on a motion. With a steady deliberation on the type of motion, Lisa Williams made the motion to deny the zoning rewrite, Felicia Weinert seconded, and the motion passed 4/0/0.

2. **PUBLIC HEARING:** The Mayor and City Council will consider amending the zoning map to rezone the properties located at 572 Woodland Avenue (18 047 32 007), 582 Woodland Avenue (18 047 32 002), 586 Woodland Avenue (18 047 32 006), 590 Woodland Avenue (18 047 32 005), 596 Woodland Avenue (18 047 32 004), 600 Woodland Avenue (18 047 32 009), 606 Woodland Avenue (18 047 32 008) and 616 Woodland Avenue (18 047 34 001) Scottdale, GA 30079 (within the City of Clarkston) from NR-CD Neighborhood Residential Community Development District to TC Town Center. **DEFERRED UNTIL APRIL 18, 2023**

There was no discussion on this item. It has been deferred until the next Planning. Zoning Board meeting on April 18, 2023.

E. OTHER BUSINESS : None

F. ADJOURNMENT: Chairman McFarland called for a motion to close (adjourn) the meeting. Felicia Weinert made the motion to adjourn, seconded by Lisa Williams. The motion passed 4/0/0. The meeting adjourned at 8:31PM.

City Council

Meeting: May 2, 2023

Land Area: 3.64 +/- acres

Road Access: Woodland Avenue

Public Utilities:

Water and Wastewater Treatment – Public water service connections are not currently available on the vacant lots. If additional public sewer service is warranted, it will be made available via line extensions at the developer's/property owner's expense after a review by the DeKalb County Watershed Department.

Zoning Overview:

The current zoning of the subject properties is NR-CD – Neighborhood Residential – Community Development Zoning District. City Council proposes to rezone and amend the official zoning map to TC Town Center.

Table 1.0 illustrates the zoning and current land uses for the adjacent properties:

Table 1.0

	Current Zoning	Current Land Use
Northeast	I – Light Industrial (City of Clarkston)	Transportation (City of Clarkston)
East	R-75 (DeKalb County)	Vacant Land Single-family residential dwellings Mill Creek Crossing Apartments (DeKalb County)
South	R-75 (DeKalb County)	Single-family residential dwelling Vacant Lot (DeKalb County)
West	C2 (DeKalb County)	Small Commercial Retail Fuel Stations Automotive Shops (DeKalb County)

Additionally, the subject properties are bordered to the north and east by Woodland Avenue, to the south by North Decatur Road, and to the west by the Stone Mountain Path, Church Street, and the CSX railroad.

Future Land Use: Mixed Use

The Clarkston 2040 Comprehensive Plan's Future Land Use Map identifies Mixed Use areas as those compatible with diverse uses including multi-family housing, commercial, office, and urban compatible industrial uses (maker spaces, manual crafts, and breweries).

Rezoning Review Criteria: Assessment of Application for Zoning Map Amendment (Article III, Sec. 305):

When any request is made for a change in the zoning for any parcel of property, or when an amendment is requested to the zoning map, the following criteria points must be reviewed as follows.

Criteria Point 1: The effect upon the health, safety, morals, or general welfare of the public compared to any hardship imposed upon the individual property owner seeking rezoning should rezoning be denied.

There should be minimal impact to the general welfare and safety of the public should the subject properties be rezoned to the TC- Town Center Zoning District.

Criteria Points 2 and 3: Whether the zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property; whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property.

The Town Center Zoning District promotes a development of a compact, pedestrian-oriented town center consisting of a high-intensity employment center, vibrant and dynamic mixed-use areas with a diverse mix of residential, business, commercial, office, institutional, cultural and entertainment activities for workers, visitors, and residents. The TC zoning district encourages bicycle and pedestrian-oriented development at densities and intensities that will help to support transit usage and town center businesses while promoting the health and well-being of residents by encouraging physical activity, alternative transportation, and greater social interaction. The TC zoning district creates a place that represents a unique, attractive, and memorable destination for visitors and residents; and enhances the community's character through the promotion of high-quality urban design.

Criteria Point 4: Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned.

The eight (8) subject properties have reasonable economic use under the NR-CD and the proposed TC Zoning District.

Criteria Point 5: Whether the zoning proposal will result in a use that may cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.

Schools: Indian Creek Elementary School, Freedom Middle Schools, Clarkston High Schools

Streets and Transportation Facilities:

Should redevelopment occur on the subject properties, additional volumes of both pedestrian and vehicular traffic along Woodland Avenue, North Decatur Road, and Church Street attributed to an increase in population would occur.

Utilities and Environment:

Future development of these subject properties under the TC Zoning District will impact existing facilities such as playgrounds schools, shopping centers, streets and water and sewer.

Public Safety:

Public safety would be impacted based on an increase in population related to any proposed development of the parcels.

Criteria Point 6: Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.

There is a changing condition that may affect the proposed use and development of the property as townhomes. This proposed use may give supporting grounds for either approval or disapproval of the proposed re-zoning proposal to TC.

Criteria Points 7 and 8: Whether the zoning proposal is compatible with the principals of the city's long-range plan as set forth in the Conceptual Master Land Use and Connectivity Plan for the City of Clarkston, a part of the Clarkston Livable Centers Initiative Study as adopted in March 2005, adopted as the city's comprehensive plan, Whether the zoning proposal is compatible with the most current adopted version of the Future Development Map of the Clarkston Comprehensive Plan.

The subject properties are not addressed in the Clarkston Livable Centers Initiative Study adopted in 2005 as they were not part of the City of Clarkston at that time.

The subject properties are within an area identified as Mixed Use on the Future Land Use Map in the Clarkston 2040 Comprehensive Plan adopted in 2016. The Mixed-Use land designation promotes diverse uses such as multi-family housing, commercial, office, and urban compatible industrial uses. The proposed re-zoning of the TC Zoning District is in line with the Mixed-Use land designation found in the Clarkston 2040 Comprehensive Plan as it allows for the development of a variety of multi-family housing, commercial., office and urban compatible industrial uses. The Plan also discusses the community's desire to attract more homeowners as well as outlining housing policies and priorities that support the enhancement of existing housing stock and the development of affordable housing.

It is reasonable to determine that a rezoning to the TC Zoning District has the possibility to support these policies and priorities as large adjacent parcels have the potential to attract multi-family housing development and satisfy the community desires to develop both vertical and horizontal mixes of uses.

Recommendation:

Staff recommends **approval** of the rezoning from Neighborhood Residential – Community Development Zoning District to **Town Center** for the subject properties.

The rezoning of these subject properties from Neighborhood Residential – Community Development Zoning District to Town Center is in conformance with the Clarkston 2040 Comprehensive Plan Future Land Use Map. It also aligns with the housing policies and priorities found in the Clarkston 2040 Comprehensive Plan.

- (1) All outdoor storage must be located in the rear yard and must be screened by a solid fence or wall no less than six (6) feet in height. Limited to twenty-five (25) percent of total lot area.
- (2) Accessory uses must be permitted within the zoning district.

(g) *Bulk and area regulations:*

Floor Area Ratio (FAR) (Residential, Max.)	3
Floor Area Ratio (FAR) (Non-Residential, Max.)	3
Floor Area Ratio (FAR) (Total Mixed Use Max.)	5
Min. Residential Unit Size (finished, heated floor area)	700 sq. ft.
Building Coverage (Max., a % of lot area)	80%
Min. Open Space	20%
Max. Building Height	75'
Min. Lot Size	N/A
Min. Lot Width	N/A

(h) *Setbacks:*

- (1) No minimum front building setback is required.
- (2) The maximum front building setback may not exceed the average front yard depth of the nearest two (2) lots on either side of the subject lot or twelve (12) feet, whichever is less.
 - a. If one or more of the lots required to be included in the averaging calculation are vacant, such vacant lots will be deemed to have a yard depth of zero (0) feet
 - b. Lots fronting a different street than the subject lot or separated from the subject lot by a street or alley may not be used in determining the average.
 - c. When the subject lot is a corner lot, the average setback will be determined on the basis of the two (2) adjacent lots that front on the same street as the subject lot.
 - d. When the subject lot abuts a corner lot fronting on the same street, the average setback will be determined on the basis of the abutting corner lot and the nearest two lots that front on the same street as the subject lot.
- (3) The following exceptions to the maximum front building setbacks apply:
 - a. A portion of the building may be set back from the maximum setback line in order to provide an articulated façade or accommodate a building entrance feature, provided that the total area of the space created must not exceed one square foot for every linear foot of building frontage.
 - b. A building may be set back farther than the maximum setback in order to accommodate an outdoor eating area. In order to preserve the continuity of the streetwall, the building may be set back no more than twelve (12) feet from the front or street side property line or at least forty (40) percent of the building façade must be located at the maximum setback line. The total area of an outdoor eating area that is located between a public sidewalk and the building façade may not exceed 12 times the building's street frontage in linear feet.
- (4) The minimum rear setback is ten (10) feet, or twenty (20) feet for TC-zoned properties that abut a single-family residential district.
- (5) No interior side setbacks are required in the TC district, except when TC-zoned property abuts a single-family residential district, in which case the minimum side yard setback required in the TC district must be the same as required for a residential use on the abutting residential zoned lot.

(i) *Buffer requirements:*

- (1) When a use within the TC district abuts any single-family residential district, a ten-foot buffer shall be required.

(j) *Temporary uses:* Temporary uses if approved pursuant to section 313.

- (k) *Open space density bonus:* Every one (1) square foot of additional open space provided in excess of the minimum open space requirement in section 708 (g) shall increase the maximum floor area for the development by ten (10) square feet.

(l) *Building facades and entrances:*

- (1) Building facades shall be articulated to minimize the monotonous appearance of large buildings through the use of architectural elements such as recessed windows and entries, offset surfaces, differentiated piers and columns, offset planes, textured materials, or awnings,
 - a. Variations in facade treatment shall be continued throughout the structure, including its roof line and front and rear facades.
 - b. Blank lengths of wall exceeding thirty (30) linear feet are prohibited on all building facades.

- (2) Delineation of building floors at the third story above sidewalk level and lower shall be executed through windows, belt courses, cornice lines or similar architectural detailing.
- (3) A street address number shall be located directly above the primary building entrance, shall be clearly visible from the sidewalk and shall be a minimum of six (6) inches in height.
- (4) The primary pedestrian access to all sidewalk level uses and business establishments with public or private street frontage:
 - a. Shall face and be visible from the public street when located adjacent to such street. When located adjacent to a street that functions as an arterial street or a collector street, said entrance shall face and be visible from such street.
 - b. Shall be directly accessible and visible from the sidewalk adjacent to such street.
 - c. Shall remain unlocked during business hours for non-residential uses, including hotels and bed and breakfast inns.
 - d. Buildings on corner lots shall have an angled entrance oriented toward the intersection.
- (m) *Franchise architecture:* Buildings where the proposed architecture is the result of "corporate" or franchise style shall be prohibited. New construction should provide variety and diversity and express its own uniqueness of structure, location or tenant. Buildings shall be consistent with the local architectural vernacular, establish a sense of permanence, and avoid over-commercialization. Building design shall reflect local, unique, and traditional designs rather than chain or franchise designs.
- (n) *Color:* The overall exterior color scheme shall be included in the permit application as a colored depiction and shall be selected from the approved color palette and be harmonious with the neighborhood and blend with the natural surroundings of the site. Consideration shall be given to the compatibility of colors with those existing in the vicinity. The size of the structure and the amount of shading it will receive are also a factor in selection of colors. Examples of incompatible colors include day glow and metallic colors.

- (10) Any use of property not specifically allowed by Section 708(c)."

SECTION FIVE

Paragraph (e) of Sec. 708 is hereby deleted in its entirety and replaced with the following language:

"(e) Accessory structures:

- (1) All such structures shall be located upon the same lot and only in the side or rear yard of the principal use at least ten (10) feet from any lot lines. In cases of corner lots, the accessory structure may not be closer to any right-of-way than the principal building.
- (2) When an accessory structure is attached to the principal building in any manner, it shall be deemed part of the principal structure and subject to all bulk and area requirements of same.
- (3) Any accessory structure in excess of six hundred (600) square feet of gross space must be at least ten (10) feet from any property line and shall be architecturally compatible with the principal structure.
- (4) Building design and materials shall be consistent with design approved by Planning and Zoning Board, however, structures which utilize metal siding shall be constructed with brick, stone, rock or wood covering any facade of the building facing a roadway.
- (5) No accessory structure shall be constructed or placed upon a lot before the principal building is constructed.
- (6) No accessory structure may exceed the more restrictive of either fifteen (15) feet or the height of the principal building.
- (7) The area of the accessory structure's footprint may not exceed fifty (50) percent that of the principal structure.

SECTION SIX

Paragraph (f) of Sec. 708 is hereby deleted in its entirety and replaced with the following language:

"(f) Accessory use limitations:

- (1) All outdoor storage must be located in the rear yard and must be screened by a solid fence or wall no less than six (6) feet in height. Limited to twenty-five (25) percent of total lot area.

- (2) Accessory uses must be permitted within the zoning district."

SECTION SEVEN

Paragraph (g) of Sec. 708 is hereby deleted in its entirety and replaced with the following language:

"(g) Bulk and area regulations:

Floor Area Ratio (FAR) (Residential, Max.)	3
Floor Area Ratio (FAR) (Non-Residential, Max.)	3
Floor Area Ratio (FAR) (Total Mixed Use Max.)	5
Min. Residential Unit Size (finished, heated floor area)	700 sq. ft.
Building Coverage (Max., a % of lot area)	80%
Min. Open Space	20%
Max. Building Height	75'
Min. Lot Size	N/A
Min. Lot Width	N/A

SECTION EIGHT

Paragraph (h) of Sec. 708 is hereby deleted in its entirety and replaced with the following language:

"(h) Setbacks:

- (1) No minimum front building setback is required.
- (2) The maximum front building setback may not exceed the average front yard depth of the nearest two lots on either side of the subject lot or 12 feet, whichever is less.
 - a. If one or more of the lots required to be included in the averaging calculation are vacant, such vacant lots will be deemed to have a yard depth of 0 feet.
 - b. Lots fronting a different street than the subject lot or separated from the subject lot by a street or alley may not be used in determining the average.
 - c. When the subject lot is a corner lot, the average setback will be determined on the basis of the 2 adjacent lots that front on the same street as the subject lot.
 - d. When the subject lot abuts a corner lot fronting on the same street, the average setback will be determined on the basis of the abutting corner lot and the nearest two lots that front on the same street as the subject lot.
- (3) The following exceptions to the maximum front building setbacks apply:
 - a. A portion of the building may be set back from the maximum setback line in order to provide an articulated façade or accommodate a building entrance feature, provided that the total area of the space created must not exceed one square foot for every linear foot of building frontage.

- b A building may be set back farther than the maximum setback in order to accommodate an outdoor eating area. In order to preserve the continuity of the streetwall, the building may be set back no more than 12 feet from the front or street side property line or at least 40 percent of the building façade must be located at the maximum setback line. The total area of an outdoor eating area that is located between a public sidewalk and the building façade may not exceed 12 times the building's street frontage in linear feet.
- (4) The minimum rear setback is 10 feet, or 20 feet for TC-zoned properties that abut a single-family residential district.
- (5) No interior side setbacks are required in the TC district, except when TC-zoned property abuts a single-family residential district, in which case the minimum side yard setback required in the TC district must be the same as required for a residential use on the abutting residential zoned lot."

SECTION NINE

Paragraph (i) of Sec. 708 is hereby deleted in its entirety and replaced with the following language:

"(i) Buffer requirements:

- (1) When a use within the TC district abuts any single-family residential district, a ten-foot buffer shall be required."

SECTION TEN

New paragraph (j) of Sec. 708 is hereby adopted to read as follows:

"(j) Temporary uses: Temporary uses if approved pursuant to section 313"

SECTION ELEVEN

New paragraph (k) of Sec. 708 is hereby adopted to read as follows:

"(k) Open space density bonus: Every one (1) square foot of additional open space provided in excess of the minimum open space requirement in sec. 708 (g) shall increase the maximum floor area for the development by ten (10) square feet."

SECTION TWELVE

New paragraph (l) of Sec. 708 is hereby adopted to read as follows:

(l) Building Facades and Entrances

- (1) Building facades shall be articulated to minimize the monotonous appearance of large buildings through the use of architectural elements such as recessed windows and entries, offset surfaces, differentiated piers and columns, offset planes, textured materials, or awnings.
 - a. Variations in facade treatment shall be continued throughout the structure, including its roof line and front and rear facades.
 - b. Blank lengths of wall exceeding thirty (30) linear feet are prohibited on all building facades.
- (2) Delineation of building floors at the third story above sidewalk level and lower shall be executed through windows, belt courses, cornice lines or similar architectural detailing.
- (3) A street address number shall be located directly above the primary building entrance, shall be clearly visible from the sidewalk and shall be a minimum of six (6) inches in height.
- (4) The primary pedestrian access to all sidewalk level uses and business establishments with public or private street frontage:

- a. Shall face and be visible from the public street when located adjacent to such street. When located adjacent to a street that functions as an arterial street or a collector street, said entrance shall face and be visible from such street.
- b. Shall be directly accessible and visible from the sidewalk adjacent to such street.
- c. Shall remain unlocked during business hours for non-residential uses, including hotels and bed & breakfast inns.
- d. Buildings on corner lots shall have an angled entrance oriented toward the intersection.

SECTION THIRTEEN

New paragraph (m) of Sec. 708 is hereby adopted to read as follows:

- "(m) Franchise Architecture: Buildings where the proposed architecture is the result of "corporate" or franchise style shall be prohibited. New construction should provide variety and diversity and express its own uniqueness of structure, location or tenant. Buildings shall be consistent with the local architectural vernacular, establish a sense of permanence, and avoid over-commercialization. Building design shall reflect local, unique, and traditional designs rather than chain or franchise designs."

SECTION FOURTEEN

New paragraph (n) of Sec. 708 is hereby adopted to read as follows:

- (n) Color: The overall exterior color scheme shall be included in the permit application as a colored depiction and shall be selected from the approved color palette and be harmonious with the neighborhood and blend with the natural surroundings of the site. Consideration shall be given to the compatibility of colors with those existing in the vicinity. The size of the structure and the amount of shading it will receive are also a factor in selection of colors. Examples of incompatible colors include day glow and metallic colors.

SECTION FIFTEEN

Sec. 1003(c) of Article X is hereby deleted in its entirety and replaced with the following language:

"(c) Sidewalk clear zone requirements.

- (1) Said zone shall be located immediately contiguous to the landscape zone and shall be continuous.
- (2) Said zone shall be hardscape, and shall be unobstructed for a minimum height of eight (8) feet. Special paving within the sidewalk clear zone shall be permitted only as approved by the planning and zoning board.
- (3) Where newly constructed sidewalks abut narrower existing adjacent sidewalks, the newly constructed sidewalk shall provide an adequate transitional clear zone width for the purposes of providing a safe facilitation of pedestrian traffic flow between the adjacent sidewalks, as approved by the planning and zoning board.
- (4) Utilities, including telephone, electric power and cable television in both public and private rights-of-way, shall be placed underground except when extreme conditions of underlying rock or other conditions prevent this requirement from being met and only as approved by the planning and zoning board."

SECTION SIXTEEN

Sec. 1005(a)(1) of Article X is hereby deleted in its entirety and replaced with the following language:

"(1) The square footage contained within the front yard which meets open space criteria established in section 705 may counted towards the open space requirement as required by that zoning district."

SECTION SEVENTEEN

Sec. 1107(b) of Article X is hereby deleted in its entirety and replaced with the following language:

"(b) All surface parking provided in excess of one hundred (100) percent of the minimum number of off-street parking spaces required by type of permitted use shall be of porous paving or grass paving systems and as approved by the Planning and Zoning Board."

SECTION EIGHTEEN

Sec. 1006 of Article X is hereby deleted in its entirety and replaced with the following language:

"Sec. 1006. - BUILDING MATERIALS.

- (a) No exterior wall or facade of any building visible from any public street shall be clad in metal siding, vinyl siding, EIFS, or smooth concrete block.
- (b) No barbed wire, razor wire, chain link fence or similar elements shall be visible from any public plaza, ground level or sidewalk level outdoor dining area or public right-of-way."

SECTION NINETEEN

Sec. 1007 of Article X is hereby deleted in its entirety and replaced with the following language:

"Sec. 1007. - Relationship of building to street.

- (a) The primary pedestrian access to all sidewalk level uses and business establishments with public or private street frontage:
 - (1) Shall face and be visible from the public street when located adjacent to such street. When located adjacent to a street that functions as an arterial street or a collector street, said entrance shall face and be visible from such street.
 - (2) Shall be directly accessible and visible from the sidewalk adjacent to such street.
 - (3) Shall remain unlocked during business hours for non-residential uses, including hotels and bed & breakfast inns.
- (b) A street address number shall be located directly above the primary building entrance, shall be clearly visible from the sidewalk and shall be a minimum of six (6) inches in height.
- (c) Buildings with residential uses at the sidewalk level shall meet the following regulations:
 - (1) All primary pedestrian entrances not adjacent to a public sidewalk shall be linked to the public sidewalk with a pedestrian walkway a minimum of five (5) feet wide.
 - (2) All such buildings with more than four (4) residential units that are adjacent to the sidewalk shall have individual entrances to such units directly accessible from the sidewalk and shall open directly onto the adjacent sidewalk, park, plaza, terrace or porch adjacent to the sidewalk. All pedestrian walkways providing such access shall be perpendicular to the street, unless topography prohibits, and shall be permitted to share said walkway with one (1) adjacent unit.
 - (3) Such buildings shall have windows at sidewalk-level on each street frontage facade which are substantially similar in size to the sidewalk level front facade windows."

SECTION TWENTY

New Sec. 1011 of Article X is hereby adopted with the following language:

"SEC. 1011. - LIGHTING:

(a) General provisions

- (1) The purpose of these criteria is to create standards for outdoor lighting which will provide nighttime safety, security and utility, while reducing light pollution and light trespass, and increase conservation of energy.
- (2) Any lighting used to illuminate parking areas, access drives or loading areas shall be of such a design or level of illumination so as to minimize the amount of ambient lighting perceptible from adjacent properties and that would impair the vision of motorists.
- (3) The Illuminating Engineering Society of North America (IESNA) Lighting Handbook, Ninth Edition, shall be used as a guide for lighting installations. The definitions in this handbook shall be used for technical terminology.

(b) Lighting standards.

- (1) Entrances into developments from a street may be lighted for traffic safety reasons provided such lighting does not exceed the foot candle requirements for lighting walkways and streets.
- (2) Lighting poles mounted on private property within 50 feet from the street right-of-way may not exceed a height of 16 feet.
- (3) Accent lighting for building facades and other vertical structures shall be directed solely onto the building or structure and not toward the sky or onto adjacent properties. Direct light emissions shall not be visible above the roofline or beyond the building's edge. Shielding shall be provided to restrict light to the object being accented.
- (4) All pole mounted fixtures shall be mounted parallel to the ground. Building mounted floodlights shall be direct cutoff type and set parallel to the ground.
- (5) All interior lighting shall be designed to prevent the light source or high levels of light from being visible from the street.
- (6) Lighting for uses adjacent to residentially zoned property shall be designed and maintained such that illumination levels do not exceed 1.0 foot-candles along property lines. Lighting for uses adjacent to non-residentially zoned property shall be designed and maintained such that illumination levels do not exceed 3.0 foot-candles along property lines.
- (7) The use of search lights, laser lighting, LED lighting in the forms of channel strips, ropes or similar configurations, or lights that pulse, flash, rotate or simulate motion for advertising or promotions is prohibited.
- (8) All lighting fixtures designed or placed so as to illuminate any portion of a site shall meet the following requirements:

a. Fixtures

- i. Any wall or pole-mounted light fixture shall be a cutoff luminaire whose source is completely concealed with an opaque housing and shall not be visible from any street. The light output of the fixture shall be 2.5 percent or less of the total output at 90 degrees from the vertical plane and ten percent or less of total output at 80 degrees from the vertical plane.
- ii. Light fixtures for canopies covering fueling stations and at individual drive-through facilities shall be mounted such that the lens cover is recessed or flush with the bottom surface of the canopy and/or shielded by the fixture or the edge of the canopy. The light output of the fixture shall be 2.5 percent or less of the total output at 90 degrees from the vertical plane and ten percent or less of total output at 80 degrees from the vertical plane.

- b. **Lamps** - For parking lot and site lighting, the same type of lamp must be used for the same or similar type of lighting on any one site or development. All exterior luminaires that operate at greater than 100 watts shall contain lamps having a minimum efficacy of 60 lumens/watt unless the luminaire is controlled by a motion sensor.

- i. **Illumination levels.** All site lighting shall be designed so that the level of illumination as measured in foot-candles (fc) at any one point meets the following standards. Minimum and maximum levels are measured at any one point. Average level is not to exceed the specified limit by more than 20 percent, and is derived using only the area of the site included to receive illumination. Points of measure shall not include the area of the building or areas which do not lend themselves to pedestrian traffic. Also, if the major portion of the lighting design is to be in the front of a building, the average level should not be affected by additional lighting in the back of the same building, which would raise the average of the intended area for lighting. Illumination levels are as follows:

Location or Type of Lighting	Minimum Level (fc)	Average Level (fc)	Maximum Level (fc)
Advertising Sign	N/A	N/A	20.0
Walkways and Streets	0.6	1.0	10.0
Areas for Display of Outdoor Merchandise	1.0	5.0	15.0
Commercial Parking Areas	1.0	5.0	15.0
Multi-family Residential Parking Areas	1.0	5.0	15.0
Building Entrance	2.0	10.0	50.0
Gas Station Pump Areas	6.0	15.0	50.0

- c. **Methods of measurement.** Horizontal illumination levels shall be measured at ground level by a light meter certified by its manufacturer as being calibrated in accordance with standards of the National Institute of Standards and Technology. Maximum illumination readings must be taken directly beneath the luminaire. Vertical illumination readings shall be taken on the surface of the object being lighted or at five feet above the ground for pedestrian areas.

- d. **Exemptions.**

- (i) Decorative seasonal lighting for festivals and holidays with a power rating of 75 watts or less.
- (ii) Temporary emergency lighting used by police, firefighters, or other emergency services.
- (iii) Hazard warning luminaires or safety or security lighting required by regulatory agencies or state or federal law.

- e. **Requirements for submittals.**

- (i) Site lighting plans shall be submitted for planning and zoning commission review and approved for any new lighting installations. Plans shall be at a scale to allow the reviewer to determine conformance with this chapter, such as 1" = 20' or 1" = 40'.

- (ii) Site lighting plans shall include:
- a. Location and mounting information for each light.
 - b. Illumination calculations showing light levels in foot candles at points located on a ten-foot or smaller grid, including an illustration of the areas masked out per the requirements above regarding points of measurement.
 - c. A fixture schedule listing fixture design, type of lamp, and wattage of each fixture, and number of lumens after using 85 percent depreciation of initial output for both metal halide and high pressure sodium.
 - d. Manufacturer's photometric data for each type of light fixture.
 - e. An illumination summary, including the minimum, average and maximum foot-candles calculations."

SECTION TWENTY ONE

Sec. 1117 of Article XI is hereby deleted in its entirety and replaced with the following language:

"SEC. 1117. - REDUCTION IN FRONT YARD SETBACK.

In the NC-2 district only, fifty (50) percent reduction in the required front yard setback is allowed when all required parking is located exclusively in the rear yard of the parcel."

SECTION TWENTY TWO

Sec. 1118 of Article XI is hereby deleted in its entirety and replaced with the following language:

"Sec. 1118. - Reductions in required parking.

Reduced parking requirements may be aggregated to include reductions based on any of the following factors, with a maximum parking reduction of 25% for any zoning district.

- (a) In commercial districts including TC, NC-1, NC-2, and RC, the following reductions in required parking can be applied.
 - (1) When an existing site without vehicular interconnection is retrofitted to provide permanent access to adjacent sites' parking, a ten-percent reduction in the number of required parking spaces shall be allowed.
 - (2) Developments wherein the front door is located within two hundred fifty (250) feet of a public transit stop shall be allowed a ten-percent reduction in the required number of parking spaces.
 - (3) Mixed use developments that include residential and commercial uses integrated into one structure shall be allowed a ten-percent reduction in the required number of parking spaces.
- (b) Development within the TC district shall be allowed a ten percent reduction in the required number of parking spaces."

SECTION TWENTY THREE

Sec. 1119 of Article XI is hereby deleted in its entirety and replaced with the following language:

"SEC. 1119. - PVIOUS PARKING BONUS.

In the NC-2 district only, for every full size parking space required by § 1107 of this Article that is paved with pervious paving as defined in Article IV, an additional fifty (50) square feet of floor area shall be permitted."

SECTION TWENTY FOUR

Article IV of the Zoning Ordinance providing Definitions is hereby amended to add the following defined terms, which shall be inserted in alphabetical order:

"Accessory building: A structure that is incidental and subordinate to the principal structure, located on the same lot, and operated or maintained under the same ownership as the principal structure."

"Accessory use: A land use that is incidental and subordinate to the principal use."

"Pervious paving: A surface that allows water to pass through voids in or between paving materials while providing a stable, load bearing surface for vehicles."

"Sidewalk clear zone: An unobstructed walkway with a minimum width of seven (7) feet and hardscaped located between the building face and landscape zone."

SECTION TWENTY FIVE

This Ordinance shall become effective upon the date of its adoption by the City Council

City of Clarkston
Pool Maintenance and Lifeguard Staffing Services

Dear Dan and City of Clarkston Council:

Thank you very much for the opportunity to present a proposal for continuing to provide pool management services to the City of Clarkston pools.

As you are aware, we increased staff wages significantly to combat the staffing shortage issues experienced last year, which increased the cost to the city. However, we have already received positive feedback and have made good progress recruiting pool staff for the 2023 season for Clarkston's Milam Park pool. We also took your feedback on schedule change options to reduce cost and incorporated that into our proposal.

We are very excited to have created a new position, Recruiting and Training Manager. The R&T Manager will be responsible for ensuring that all lifeguards receive top tier training. This new position will primarily be in the field during the pool open months. Milam Park pool will be visited one to two times per week by the R&T Manager or other management staff (in addition to 3x/week maintenance visits). The visits will last approximately 15 - 30 minutes, during which time the facility will be checked for completion of the secondary duties and the lifeguard(s) on duty will be observed for proper scanning techniques, active guarding, and enforcement of the facility rules. A pool visit report form will be emailed to the appropriate pool contact no more than 48 hours after the visit has occurred. A sample Pool Visit Report has been attached the proposal for your review.

A mandatory preseason meeting will be scheduled to allow city staff to meet the lifeguard staff. The preseason meeting will provide the lifeguards with the opportunity to get acquainted with each pool. At this time the rules for the facility will also be reviewed.

A full breakdown and description of services is described in our proposal. The lifeguard schedule can be found in our proposal under the Schedule A and is what we agreed upon via email.

We appreciate the opportunity to provide this proposal and hope to earn your business again for the 2023 season. Please review the attached proposal and let us know if you have any questions or feedback.

Sincerely,

Craig Sears
President

Pool Management Agreement

This management agreement is dated , and is between Sears Pool Management Consultants, Inc. ("SPMC"), a Georgia corporation, and the **City of Clarkston** ("Client"), a Georgia Entity.

BACKGROUND:

SPMC is a pool management and service company with its principal office located at 1165 Hightower Trail, Sandy Springs, GA, 30350. Client owns a pool(s) and club facility located at **3867 Norman Road, Clarkston, GA 30021 Dekalb**("the Pool"). Client desires to have SPMC service the Pool and keep the Pool in operation for Client's members ("Club Members").

SPMC and Client therefore agree as follows:

I. DEFINITIONS:

- a. The Parties: SPMC and Client collectively
- b. Pool: all of the structures used by the patrons for swimming at a single physical address. This includes, but is not limited to: lap pools, wading pools, water slides, and splash pads.
- c. Holidays: the Saturday, Sunday, and Monday of Memorial Day weekend, July 4th, and the Saturday, Sunday, and Monday of Labor Day weekend.
- d. School days: any days in which the public county schools are in session in the Pool's county.
- e. Non-school days: any days in which the public county schools are not in session in the Pool's county.
- f. Open Season: The time period from the Pool's season open date to the season close date.
- g. Covered Pool: Pool with a mesh safety cover or solid tarp cover used when closed for the season.
- h. Uncovered Pool: Pool that does not use a mesh safety cover or solid tarp cover when closed for the season.

II. TERM:

This agreement will be effective from **January 1st, 2023** through **December 31st, 2023**. This agreement shall automatically renew itself **October 1st** of each year for one additional year, unless the Client submits in writing (prior to October 1st) their wishes that the Agreement not renew (see section VII. A. for details). The Pool shall open for the season **May 25, 2023**. The Pool shall close for the season after **September 4, 2023**. Club Members have access to the Pool at all times. Therefore, SPMC assumes no liability for the actions, or consequences of such actions, of any patrons using the Client's facilities during times when SPMC lifeguards are not on duty.

III. ATTACHMENTS:

The following documents are attached as Schedules A-C and are specifically incorporated into this agreement.

- a. Schedule A: Pool Operating Schedule
- b. Schedule B: Payment Schedule
- c. Schedule C: Changes to Pool Operating Schedule and Contract Options

IV. RESPONSIBILITIES OF SPMC

A. STAFFING OF SPMC:

1. President: The president is responsible for overseeing the general operation of the company. All agreements and modifications to agreements must be signed by the President.
2. SPMC Management: SPMC management will visit the Pool periodically to check the Pool operation and condition of the facilities. SPMC Management is responsible for scheduling seasonal opening and closing procedures and scheduling a county inspection, if applicable. SPMC management is responsible for resolving any complaints or issues that may arise in connection with the operation of the pool. SPMC management will be responsible for submitting repairs and renovations quotes to the Client and getting approval for same.
3. Maintenance Supervisor: Client will be assigned a Supervisor. Supervisor is responsible for coordinating the seasonal opening and closing procedures of the Pool and facilitating the delivery of all pool necessities, including, but not limited to, chemicals, cleaning equipment, and lifesaving equipment. The Supervisor will also conduct inspections of the Pool's operation and facility conditions at least twice per week. The results of these inspections will be reported to SPMC Management immediately so that any necessary action can be taken quickly.
4. Service Technician: SPMC's Service Technician is not assigned to any specific pool. He is responsible for performing repairs on an as needed basis once approval has been received from the Client's Designated Representative.
5. Lifeguard: Lifeguards and Instructors are certified through the Red Cross, YMCA or other industry recognized agency in lifeguard training, first aid, and CPR for infants, children, and adults. The Lifeguards are responsible for supervising Pool activities and protecting the safety of Club Members and guests. Lifeguards shall be at the Pool premises during the hours that the Pool is open and guarded according to Schedule A. Additional time (15-20 minutes) is scheduled before and after the hours that the Pool is open to perform the opening and closing duties.
6. Head Lifeguard: Head Lifeguards are assigned for multi-guard pools. The Head Lifeguard is the daily SPMC management presence at the Pool and will have a minimum of two years of experience. The Head Lifeguard shall be responsible for ensuring that the Pool stays clean and that Pool chemistry is balanced on a daily basis, monitoring the condition of all pool related equipment, and reporting any concerns to the Supervisor, the Operations Manager or Staffing Manager. The Head Lifeguard shall also be responsible for maintaining Pool records of Pool chemistry as dictated by county law. He/she shall report any shortages of pool chemicals or pool supplies directly to the Supervisor or SPMC office. In addition, the Head Lifeguard shall report to the Staffing Manager how well the lifeguards are performing their duties respectively.
7. Lifeguards: The Lifeguards shall also maintain Pool chemistry, basic pump house maintenance, and debris removal from the Pool area. They are to report any problems to their Head Lifeguard or Supervisor. The quality of the lifeguards' work is subject to review at each bimonthly SPMC officer meeting. All lifeguards are SPMC employees, not independent contractors. Selected lifeguards are available for hire by Club Members for individual swim instruction. SPMC employees are not permitted to give swim lessons during their regularly scheduled hours of lifeguard duty. SPMC shall not be responsible for the actions of Lifeguards when they are acting pursuant to private agreements with Club Members on the Club premises.

8. Gate Attendant: The Gate Attendant shall be at the Client's Pool according to the schedule of hours in Schedule A. Additional time (10-15 minutes) is scheduled before and after the hours that the Pool is open. This time is allotted for the opening and closing Gate Attendants to perform the opening and closing duties, including cleaning the deck area, removing debris from pool area, placing trash in customers dumpster, straightening furniture and raising or lowering umbrellas when appropriate. Gate Attendants shall enforce the Client's membership usage policies as he/she is able (including No Smoking, No Glass policies and pool closures), but shall not enforce any lifeguarding or other safety rules. In addition, Gate Attendants are not responsible for performing any lifeguard duties, including, but not limited to, administering rescue skills, CPR, and First Aid. If a problem or conflict arises, Gate Attendant and/or SPMC Shall notify Client's Designated Representative. The quality of the attendants' work is subject to review at each bimonthly SPMC officer meeting. All Gate Attendants are SPMC employees, not independent contractors.

B. OPEN SEASON POOL MAINTENANCE SERVICES:

During the open season SPMC shall perform maintenance a minimum of 3 times per week.

1. SPMC will use testing kits and chemicals to maintain the proper pool water chemical balance, pH levels, chlorine levels, alkalinity levels, cyanuric acid levels, and calcium hardness levels.
2. SPMC will stock chlorine, cyanuric acid, sodium bicarbonate, muriatic acid, soda ash, calcium chloride, polyquat and copper algicide, pool clarifier, tile cleaner, test kit reagents and salt (if applicable) at SPMC's expense. If Pool leaks and is not repaired, SPMC may assess an additional amount for excess chemical usage.
3. SPMC will vacuum the Pool of debris regularly. SPMC will clean the Pool, skimmer baskets, the Pool's deck, waterline tiles at each visit.
4. SPMC will use algicide, tile cleaner, scrub brushes, and metal Pool wall brushes to keep the Pool tiles and walls clean and algae free.
5. SPMC will backwash the Pool filter(s) and clean the hair/lint strainer basket(s), as needed.
6. SPMC will clean the Pool area following the end of the last guard and/or gate attendant shift of the day. This entails picking up garbage and lost and found items, emptying all garbage cans in the Pool area into the proper receptacles, cleaning garbage cans, and relining them with new can liners provided by SPMC.
7. SPMC will open the Pool area and restrooms before the first guard/gate attendant shift of the day and lock and secure the Pool area and restrooms at the end of the last guard and/or gate attendant shift of the day.
8. All SPMC employees will report any problems associated with the Pool, the Pool area, or the pump to the SPMC office. SPMC management will forward this information to the Client's Designated Representative.
9. All pool related equipment purchases, including, but not limited to, vacuums, brushes, poles, life saving devices, nets, baskets, feeders, tubes, and garbage cans, can be made by SPMC and billed by SPMC to Client. Individual items that cost more than **\$200.00** must first be approved by Client. Client assumes full liability for any problems that may arise due to refusal to purchase equipment recommended by SPMC. All equipment purchases shall become the property of the Client.
10. **Water quality**: SPMC is responsible for maintaining the condition of the swimming pool water as required by state and local statute or within these recommended tolerances where there is no applicable statute: Chlorine: 2.0-10.0 ppm; pH: 7.2-7.8; Total Alkalinity: 80-120 ppm; Calcium Hardness: 200-400 ppm; Cyanuric Acid: less than 100 ppm At no time will the water chemistry cause a failure of permission to operate the pool granted by local health departments. In the event that the local health department revokes permission to operate the pool due to poor water quality, and it is deemed to be the fault of SPMC, Client shall be entitled to partial refund of the contract price, determined using the following formula: (# of days closed) x (average daily portion of the contract price).

11. SPMC reserves the right to close the Pool if it determines that the Pool must be closed to adjust water quality. SPMC shall refund any monies to the Client according to the above formula, if the water quality problem is due to an act or omission on the part of SPMC or its employees. If the problem is due to an act or omission on the part of a Club Member, patron, vandal, or other party, SPMC may charge an additional amount to rectify the water quality problem.

12. **Extra Visits:** If an unforeseeable event (i.e. contamination, vandalism, etc.) occurs that requires SPMC to visit and service Client's Pool an additional time, outside of the normal service visit, there will be an "extra visit charge" of \$85 per visit plus an hourly rate of \$80 per hour (one-hour minimum) for servicing the Pool again.

13. **1. Repairs and Parts Replacement:** SPMC performs regular repairs and replaces parts on pool pumps, filters, above ground piping, and other pool equipment. Client is responsible for paying SPMC for all repairs and parts expenses incurred during the season. Any repairs or parts costing over **\$200.00** each must first be approved by Client. SPMC is not responsible for consequences or situations arising due to Client's refusal to approve recommended repairs. At Client's request, SPMC can arrange for repair of Client's plumbing or electrical equipment by a licensed contractor.

14. **Restroom Supply Service:** If checked on Schedule B, then 1 applies. If not checked, then 2 applies.

1. During pool season, SPMC will restock restrooms with standard roll or 9" roll toilet paper, standard kitchen roll, hard wound, center pull, or multifold paper towels, bag in the box soap or liquid soap refill, and disinfectant at the expense of SPMC. If SPMC does not support a dispenser that the customer installs, the customer will be responsible for refilling it. SPMC will remove trash and debris from the restroom floor and sink countertops. SPMC recommends that Clients hire a professional cleaning service. SPMC can provide a separate quote for professional cleaning service upon request.

2. Client is responsible for providing restroom maintenance and supplies.

C. LIFEGUARD and/or GATE ATTENDANT SERVICES

The primary responsibility of a lifeguard is patron safety. They will enforce general pool rules as defined by the county and/or American Red Cross guidelines. Secondary responsibilities include ensuring the facility is neat and clean, trash is emptied, restrooms are restocked and picked up, and pool furniture is straightened.

The primary responsibility of a Gate Attendant is monitoring people entering the pool and ensuring they are residents of the community. Gate Attendants are not responsible for performing any lifeguard duties, including, but not limited to, administering rescue skills, CPR, and First Aid.

Lifeguard Break: Once every hour, the Lifeguard will call a break for a period of 15 minutes. During this break, Lifeguards will not be on duty guarding the pool and neither the lifeguards nor SPMC is responsible for the people using the Pool during the break. Upon Client's request and acceptance of responsibility, children 17 and under shall be cleared from the Pool during this time. Client understands that SPMC cannot condone discriminating against children, because it has been deemed illegal under the Fair Housing Act.

Gate Attendant Break: Gate Attendants are permitted to take a 15 minute break every two hours. They will check and record the pool chemistry, restock restrooms, and empty trash.

The Wading Pool: Supervision and safeguarding of the users of the wading pool shall be the responsibility of the parents of the children using the wading pool. SPMC agrees to maintain the wading pool as described above. SPMC shall not be responsible for any injury or loss resulting from use of the wading pool. Client agrees to indemnify and hold SPMC harmless from any and all claims for damages or injuries, or both resulting from the use of the wading pool.

Inclement weather days and lifeguard/attendant policies: On rain days, SPMC will keep one guard/attendant at the Pool until 5 P.M. If the weather is still unsuitable for swimming at 5 P.M., the Pool will be closed for the remainder of the day. SPMC will attempt to consult with Client's Designated Representative prior to sending staff home, however, as inclement weather is unpredictable, SPMC shall have the right to close the Pool early in the event of severe weather without refund to Client.

Bather load: SPMC may determine Lifeguard requirements dependent upon bathing load, Pool type and size, health department code, and commonly accepted industry standards. If SPMC determines that the recommended Lifeguard to bather ratio is regularly out of acceptable range, SPMC may recommend adding or reducing Lifeguard coverage where appropriate. If the Lifeguard to bather ratio is exceeded randomly through higher than normal attendance or a large group arriving at the Pool, SPMC reserves the right to secure additional Lifeguard coverage and bill Client for the additional staff, if said staff is available on short notice. Alternatively, SPMC reserves the right to limit the number of patrons at the Pool to protect the safety of all patrons and the Lifeguards.

Additional Lifeguard/Attendant Hours: Client may request staff hours in addition to the coverage provided in Schedule A. If staffing is available, SPMC can provide said coverage, according to rate Schedule C.

D. SEASONAL OPENING AND CLOSING OF THE POOL

SPMC shall conduct the seasonal opening and closing of the Pool.

The opening procedures shall include:

1. Ensuring that the Pool meets all requirements to obtain proper permits from the government for operation.
2. Client is financially responsible for any applicable fees associated with obtaining a permit for operation.
3. Removing and cleaning the Pool cover, if applicable; storing the cover on the customer's premises.
4. Cleaning the Pool and balancing Pool chemistry.
5. Inspecting underwater lights, if applicable.
6. Stock restrooms. Client is responsible for cleaning restrooms for inspection and opening.
7. Cleaning Pool furniture and arranging it properly. Cleaning includes brushing with soapy water and rinsing. If furniture is excessively dirty, mildewed, or stained, pressure washing or specialty cleaning may be needed. SPMC can provide a quote for these services separately, upon request.
8. Mounting diving boards, guard chairs, handrails, and ladders.
9. Inspecting flow meters, pressure gauges, valves, and chemical feeders.
10. Lubricating valves and pump bearings, as necessary.
11. Cleaning and setting up garbage cans in proper locations.
12. Checking the condition of the lifesaving equipment and reporting any damaged or missing equipment to the
13. Client's Designated Representative.
14. Checking the condition of maintenance and cleaning equipment and reporting any damaged or missing
15. equipment to the Client's Designated Representative.
16. Checking the condition of the pump house and the equipment contained therein. Repair equipment as necessary.
17. Starting up filtration system.
18. Inspecting all skimmers, vacuum systems, and return inlets.
19. Scheduling county opening inspection, if applicable.

The opening procedures shall be completed no later than one (1) week prior to the scheduled opening date of the Pool for the season.

NOTE: Additional clean-up charges may apply if winter maintenance is not selected and the Pool is found in terrible condition at opening time.

The closing procedures shall include:

All pools:

1. Vacuum pool.
2. Stack Pool furniture and store it at designated location, on-site.
3. Check the condition of all Pool equipment, lifesaving equipment, and pump house. SPMC shall report any damages to the Client's Designated Representative
4. Grease motor bearings and lubricate filter system valves, if applicable.
5. Notify Client upon completion of Pool closing procedures.

Pools with covers:

1. Lower pool water to correct level, drain all skimmer lines and winterize them. Remove and store skimmer parts. Cover the skimmers.
2. Remove and store all removable ladders, handrails, and diving boards.
3. Reinstall Client's Pool cover.
4. Backwash and drain all filter tanks. Place valves at appropriate settings.
5. Remove pump plugs and drain pump. Store plugs in strainer basket.
6. Treat Pool with proper chemicals, as necessary. Winterize the pool. SPMC will use common and accepted methods of winterization, but assumes no liability for freeze damage, unless Client selects winter maintenance.

All closing procedures are to be completed no later than three (3) weeks following the close of the Pool for the season. SPMC does not automatically winterize restroom and municipal plumbing. At Client's request, SPMC can arrange for the restroom and municipal water supply to be winterized by a professional plumbing service for an additional charge.

E. WINTER MAINTENANCE:

SPMC's winter maintenance service begins when the seasonal closing procedures are completed. Winter maintenance continues until seasonal opening procedures begin or at the end of the term, whichever comes first. For winter maintenance of covered pools, SPMC shall conduct the following:

1. **Twice monthly** visits to the Client's pool.
2. Check the condition of the pool cover and remove debris from pool cover.
3. Check and balance pool chemistry.
4. Check and adjust water level.
5. Check for algae growth and treat accordingly
6. Remove debris from deck area
7. Check for structural and equipment problems.

For winter maintenance of uncovered pools, SPMC shall conduct the following:

1. **Weekly** visits to the Client's pool.
2. Vacuum pool as needed.
3. Remove debris from water surface.
4. Empty skimmer baskets or gutters.
5. Check and balance pool chemistry.
6. Check and adjust water level.
7. Check for algae growth and treat accordingly.
8. Remove debris from deck area.
9. Backwash filters and empty hair/lint baskets as needed.
10. Check for structural and equipment problems.

Any issues discovered during winter maintenance inspection and treatment are reported to the Client's Designated Representative promptly so that appropriate action may be taken.

SPMC is responsible for providing all necessary chemicals during winter maintenance. SPMC is responsible for repairing any freeze damage that occurs due to improper winterization or winter maintenance, at no additional cost to Client. SPMC is not responsible for damage to the Pool or the Pool's equipment from vandalism, force majeure, or other circumstances beyond SPMC's control during this period.

If Pool is not covered for reasons beyond SPMC's control, there is an additional \$150.00 per month charge for cleaning and vacuuming at each visit.

F. COMMUNICATION WITH CLIENT

SPMC will communicate with the Client, its board and its members and guests. SPMC shall provide the Client's Designated Representative with a list of phone numbers and email addresses for contacting the appropriate SPMC personnel when the need to contact SPMC arises.

In addition, SPMC provides a 24-hour on-call emergency service which may be reached through SPMC's voice mail system. Emergency response hours are considered Monday-Friday after 4:00 pm and before 7:00 am the following day, and all day Saturday and Sunday. There is no fee for assistance over the phone. The additional cost for emergency service visits is \$265 including the first hour on site, plus \$80 for each additional hour on site.

Non-urgent service related requests can be emailed to service.request@searspool.com. Lifeguard/Attendant related requests can be emailed to lifeguard@searspool.com.

G. INSURANCE

SPMC indemnifies and holds the Client harmless from such injuries to SPMC's employees resulting from injuries arising from the performance of the terms of this agreement. SPMC will maintain Workman's Compensation Insurance for the life of this agreement for its Employees.

SPMC shall purchase and maintain for the life of this agreement general liability and property damage insurance which will protect SPMC and its employees as well as the Client for damages which may arise from negligence of SPMC or its employees under this agreement. Specifically, SPMC shall maintain comprehensive General and Professional Liability Insurance in the amount of one million (\$1,000,000.00) dollars per occurrence and two million (\$2,000,000.00) dollars aggregate, automobile liability insurance with coverage of one million (\$1,000,000.00) dollars per occurrence/aggregate, and worker's compensation insurance. SPMC shall also maintain Excess Liability insurance in the amount of five million (\$5,000,000.00) dollars per occurrence and aggregate. SPMC will furnish Client with a certificate of the insurance describing the coverage and list Client as a certificate holder.

V. DUTIES OF THE CLIENT

A. DESIGNATED REPRESENTATIVE

The Client agrees to designate one primary representative and one secondary/emergency representative who will be the contact persons for SPMC. The Client will provide contact information for all designated representatives. The representatives and SPMC management will communicate regularly about issues surrounding the operation of the Pool. The Designated Representative is responsible for supplying SPMC with an updated list of Club Members and an updated review of club policies associated with the Pool.

B. PAYMENTS

The Client will pay SPMC according to the Payment Schedule set forth in Schedule B of this Agreement. Any and all payments not received within ten (10) days from the date due, are considered delinquent. All delinquent payments are subject to a 5% late charge, payable to SPMC from Client. In the event that payments are not received within 12 days of the due date, SPMC shall have the right, at its discretion, to terminate its services to Client and remove all personnel from Client's premises without further notice to Client.

C. INSURANCE

The Client will purchase and maintain for the life of the Agreement general liability insurance with limits of one million (\$1,000,000.00) dollars per occurrence/annual aggregate for bodily injury, personal injury, and property damage. Client will furnish SPMC with a certificate of the insurance describing the coverage and list SPMC as a certificate holder.

D. INDEMNIFICATION

The Client will indemnify and hold harmless and agrees to defend SPMC against and pay all claims occasioned by incidents arising as a direct result of intentional misconduct or gross negligence on behalf of the Client. The Client will indemnify and hold harmless and agrees to defend SPMC against and pay all claims occasioned by incidents arising as a direct result of intentional misconduct or negligence on behalf of the Club Members or others that cannot be foreseen or prevented by SPMC lifeguards. Such incidents include, but are not limited to, defiant and malicious behavior on behalf of (a) Pool patron(s), and using the Pool facility after closing time. Client indemnifies and holds SPMC harmless and agrees to defend SPMC against and pay all injury claims that occur during the hours when SPMC employees are not guarding the premises.

Client agrees that SPMC assumes no liability for events or occurrences that take place at Client's facility or the consequences of said events and occurrences, while SPMC employees are not present and acting in a capacity for SPMC.

E. COST OVERAGES

The Client shall be responsible for any cost overages or expenses which are due to extraordinary circumstances, including, but not limited to vandalism or force majeure.

F. UTILITIES

The Client is responsible for providing a functioning landline telephone (that allows 911) at the Pool at least 3 weeks prior to opening. A functioning landline telephone is required by statute for the Pool to operate. Water, electric, and telephone bills are the responsibility of the Client. Client is responsible for grounds maintenance (i.e. mowing and gardening) in the Pool area. Client is responsible for providing a garbage pick-up service and a designated onsite location for SPMC to dispose of Pool's garbage.

G. SUPPLIES AND EQUIPMENT

The Client is responsible for providing the following necessary supplies: first aid kit, chemical test kit, lifesaving equipment, cleaning and maintenance equipment (poles, brushes, vacuum heads, hoses, leaf net), and chemical feeders. These items may be purchased through SPMC if Client desires.

H. PERSONNEL

Client agrees not to hire or consult (without prior written consent of SPMC) any employee of or former employee of SPMC for a period of one (1) year from the expiration or cancellation of this agreement.

I. KEYS/FACILITY ACCESS

Client is responsible for providing SPMC three copies of working keys and/or any access codes for each lock necessary to operate Client's facility by the start of this agreement. Client acknowledges that SPMC may not be able to begin service until all keys and/or access codes are provided.

J. EQUIPMENT ROOM

Client agrees not to change any equipment or valve settings, perform any work on pool equipment, or tamper with pool chemicals, unless under the specific direction of SPMC management. Client understands that if this portion of the agreement is breached, guarantees made elsewhere in the agreement, relating to water quality and pool maintenance, are void.

VI. POOL PARTIES/SPECIAL EVENTS

SPMC can provide additional lifeguard coverage for Client's events. See Schedule C for SPMC Pool Party policy.

VII. GENERAL PROVISIONS

A. PRICING AND AGREEMENT RENEWAL

The rates set forth in Schedule B are based upon the Pool operating as described in Schedule A. SPMC reserves the right to make changes to the rates should the Client wish to make changes to services. SPMC will hold these quoted prices for 45 days from the date of issue. If this agreement is not signed after 45 days from the date of issue, SPMC reserves the right to change the rates.

This agreement shall automatically renew itself October 1st of each year for one additional year, unless the Client submits in writing with return receipt, post marked prior to October 1st, their wishes that the agreement not automatically renew. When this agreement automatically renews, the new total price shall not exceed 5% more than the previous year's total price, provided the following factors do not change: length of swim season, total number of lifeguard hours, minimum wage, scope of services provided by SPMC to Client, or any major contributing cost factor beyond SPMC's control.

If Client would like to terminate this agreement after the automatic renewal date, but before January 1st of the following year, Client may pay an early termination fee of 5% of the total contract price to terminate the agreement with SPMC. If Client would like to terminate the agreement after the automatic renewal and after January 1st of the following year, Client may pay an early termination fee of 10% of the total contract price to terminate the agreement at that time.

B. CANCELLATION

The Client shall have the right to cancel this agreement based on SPMC's nonperformance of duties and responsibilities as follows: Client shall notify SPMC by phone and a mailed written notification of any problem regarding performance detailed in this agreement. SPMC shall have five (5) business days following receipt of the mailed written notification to remedy stated violation of the agreement. If SPMC fails to remedy the violation within this period, Client may terminate this agreement upon expiration of this remedy period by providing written notice to SPMC by certified mail and this agreement shall terminate five days after the receipt of the written termination by SPMC. In the event that Client terminates this agreement, Client shall be entitled to a partial refund of money paid in advance. The daily portion of the contract price shall be computed. Any days paid for but not serviced shall be refunded by SPMC to Client. Refund shall be paid within fourteen (14) days after termination.

C. FORCE MAJEURE.

A Party shall not be deemed in default of this agreement, nor shall it hold the other Party responsible for, any cessation, interruption or delay in the performance of its obligations (excluding payment obligations) due to earthquake, flood, fire, storm, natural disaster, act of God, war, terrorism, armed conflict, labor strike, lockout, boycott or other similar events beyond the reasonable control of the Party, provided that the Party relying upon this provision:

1. Gives prompt written notice thereof, and
2. Takes all steps reasonably necessary to mitigate the effects of the force majeure event.

D. CONSENT

No party shall make any press release or other announcement with respect to the subject matter of this agreement without the consent of the other party, except as required by law or a court order. Consent shall not be unreasonably delayed, conditioned, or withheld.

E. ENTIRE AGREEMENT, MODIFICATIONS, AND BINDING EFFECT

This agreement constitutes the entire agreement of the Parties and supersedes any prior agreements, understandings, or negotiations, written or oral. This agreement may not be modified or amended except in writing, signed by the Parties. This agreement shall be binding upon and ensure to the benefit of the Client and SPMC and to their respective heirs, successors, and assigns.

F. DISCLAIMERS OF LIABILITY

Except as to the employees of SPMC, SPMC assumes no liability for damage or injury to persons or property arising from or caused by physical or mental incapacity, physical or mental diminution, or intoxication from alcoholic or other substances, legal or illegal, nor for the "Good Samaritan" acts of any employees of SPMC.

G. SEVERABILITY

The invalidity or unenforceability of any provisions of this agreement shall not affect the validity or enforceability of any other provision of this agreement, which shall remain in full force and effect.

H. NON-WAIVER

Client and SPMC agree that no failure to exercise and no delay in exercising any right, power, or privilege under this agreement by either Party shall operate as a waiver of any right, power, or privilege under this agreement.

I. GOVERNING LAW/VENUE

This agreement shall be governed, construed, and enforced in accordance with the laws of the State of Georgia without regard to its conflict of laws rules. The Parties agree that exclusive venue for any litigation arising out of this agreement will be in the state courts located in Fulton County, Georgia.

J. WAIVER OF TRIAL BY JURY

The Parties irrevocably waive any and all right to trial by jury in any legal proceeding arising out of or relating to this agreement or the transactions contemplated by this agreement.

K. ARBITRATION

All claims and disputes arising under or relating to this Agreement are to be settled by binding arbitration in the state of Georgia. An award of arbitration may be confirmed in a court of competent jurisdiction. Any such arbitration shall be conducted by an experienced arbitrator and shall include a written record of the arbitration hearing. The parties reserve the right to object to any individual who shall be employed by or affiliated with a competing organization or entity.

L. ACCEPTANCE

Acceptance of this agreement by Client through signatures below and return of this agreement along with any payments due hereunder will constitute a contract entered into in accordance with the specifications, terms, and conditions and addenda attached hereto.

M. COUNTERPARTS

This agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

N. PROPRIETARY STATEMENT

OPTIONS: Client may add the following options to their service. The payment schedule shall be adjusted accordingly. All other terms and conditions of this Agreement apply.

OPTION 1: Extended Season

SPMC will extend the season by providing chemical and maintenance services as described in this Agreement for an additional **\$950** per week. To allow adequate time for ordering and receiving additional chemicals, as well as adjusting the maintenance and pool closing schedules, Client will provide SPMC with a minimum of 2 weeks advance notice. If Client requests season extension with less than 2 weeks notice, SPMC cannot guarantee that it will be possible and additional costs may apply.

Option 2: Close the Pool Wednesdays during the season. This will reduce your price to \$62,600.

Option 3: Delay pool opening to 12 noon daily. This will reduce your price to \$62,950.

SCHEDULE C – Changes to Lifeguard Coverage Contract Options

SPMC recruits, hires, and trains lifeguards to fill the lifeguard coverage required in Schedule A. Any changes to Schedule A will require additional work on the part of SPMC to accommodate said changes. Hence, extra charges may apply, as described below.

Pool Parties/Special Events

During regular operating hours, all private pool parties with twelve (12) or more attendees must be submitted to SPMC (on SPMC's party request form) and cleared with SPMC management at least 7 days prior to the date of the party. Parties with fifteen (15) or more attendees may require an extra guard to be booked, depending on the judgment of SPMC management. This will depend on the day of the party (weekday, weekend, holiday). Pool parties with eleven (11) or fewer guests do not need to be cleared by SPMC management, but we prefer that Club Members give us advance notice of at least 4 days. After hours pool parties are permitted once SPMC receives notice of Client's approval, and if there is sufficient lighting (determined by SPMC management) in the pool area.

If it is determined that an additional guard will be necessary, lifeguards will be staffed, one (1) for every twenty-five (25) individuals. The Club Member will pay SPMC forty-five (\$45.00) dollars per hour for each additional lifeguard necessary, with a minimum of ninety (\$90.00) dollars per event. Payment must be received by SPMC at least one day prior to the party date. Client may elect to be invoiced for parties, and handle party fees privately with the Club Members.

An additional lifeguard will be required for all parties where alcohol is served. During all private parties, all children eight (8) and under must be supervised by an adult. Teenage and college age parties must have at least one adult chaperone for each 15 people at the party. Parties that leave a large mess may be subject to penalty charge to cover extra clean-up time.

Club Member may cancel a party with 24-hour notice and receive a full refund. Parties cancelled with less than 24-hour notice will receive a 50% refund. If Club Member wishes to cancel, reschedule or postpone the party, Club Member must contact SPMC at least two hours in advance of the original party time. There will be no additional charge to cancel (with full refund), reschedule or postpone a party due to inclement weather with a two-hour notice.

Any unscheduled parties with 15 or more attendees will be subject to a charge of \$200. If emergency staffing is available and SPMC staffs an unscheduled party at the last minute, the rate shall be \$60/hr per guard. If emergency staffing is not available, SPMC reserves the right to close Pool or cancel party, if the party poses a safety risk. Charges will be billed to Client. Client is responsible for collecting charges from Club Member for breach of party policy.

Changes to Schedule A

If Client wishes to change Schedule A once under contract, SPMC will make its best efforts to accommodate the schedule change. There will be a schedule change fee of \$100. This fee covers administrative expenses associated with changing the schedule in our computer and in our books, making phone calls to move staff to accommodate the new schedule, and calculating the difference in hours and money due. All hours deleted by Client or Not Staffed by SPMC from Schedule A shall be credited at \$17.50/hr. Hours added to Schedule A shall be billed at the following rates:

Pre-Memorial Day and Post Labor Day (if available): \$40/hour

Memorial Day – July 30: \$25/hour

August 1 – Labor Day: \$35/hour

Holidays: \$40/hour

RECOMMENDATION:

N/A

RESOLUTION NO. _____

**A RESOLUTION BY THE CITY OF CLARKSTON TO ESTABLISH RULES FOR
PUBLIC COMMENT DURING CITY COUNCIL REGULAR MEETINGS AND WORK
SESSION MEETINGS.**

WHEREAS, the Clarkston City Council highly values the input that residents and business owners provide to the Council through their comments at public meetings; and

WHEREAS, the Council encourages residents and business owners to attend its meetings (whether in person or virtually) and to participate in such meetings by expressing their comments; and

WHEREAS, reasonable rules to govern public comment are nonetheless necessary to ensure that the business of the Council is carried out in an orderly and efficient manner.

NOW, THEREFORE, BE IT RESOLVED BY THE City Council of the City of Clarkston that the City Council hereby adopts the “Clarkston City Council Meeting Public Comment Policy” attached hereto as the official policy of the City Council, which shall govern public comment at City Council meetings until and unless modified or repealed by future act of the City Council.

SO RESOLVED, this _____ day of May, 2023.

CLARKSTON CITY COUNCIL

BEVERLY H. BURKS, Mayor

Tomika Mitchell
City Clerk

Approved as to form:

Stephen Quinn, City Attorney

CLARKSTON CITY COUNCIL

MEETING PUBLIC COMMENT POLICY

The following rules shall govern comments by members of the public at all regular meetings and work sessions held by the Clarkston City Council.

1. Regular Meeting Comment Policy

Regular meetings of the City Council include a designated time for public comment. Such public comment period is subject to the following regulations:

a. Registration Required

Individuals desiring to comment, whether attending in person or via video conference, must register in advance by submitting their name and address to the City Clerk. Individuals desiring to comment shall submit their request to speak to the City Clerk via email or in person, prior to the beginning of the regular meeting. Speakers will be allowed to speak in the order that their registration was received.

b. Permitted Topics

Comments are not limited to the items listed on the agenda for the regular meeting but must pertain to City business or matters directly impacting Clarkston residents or businesses. Comments regarding a subject that appears on the same regular meeting agenda for a public hearing will not be allowed during the public comment portion of the meeting (but instead should be held for the designated public hearing on that topic).

2. Work Session Comment Policy

At work sessions there will be an opportunity for the public to comment during each agenda item, subject to the discretion of the Presiding Officer. The Presiding Officer will determine the order in which speakers are allowed to comment.

a. Registration Not Required

Individuals desiring to comment during a work session need not register in advance but instead shall either line up at the speaker podium (if attending in person) or “raise their hand” (if attending by video conference) during the Council discussion of the agenda item.

b. Permitted Topics

Comments at work sessions are limited to the agenda item then being addressed by the Council. Comments regarding issues not on the agenda are not permitted and should be reserved for the regular meeting public comment period.

3. Rules for Comments at All Meetings

- a.) Time Limit.** Once recognized by the Presiding Officer, each speaker will be allowed up to 3 minutes for their public comment. When notified that this time has expired, the speaker shall immediately yield the floor unless directed otherwise by the Presiding Officer.
- b.)** Comments consisting of a series of questions should be submitted to the City Clerk in writing to facilitate follow-up by the Council or staff.
- c.)** Abusive, profane, or derogatory language and insults or attacks of a personal nature will not be permitted. Anyone violating this policy will be directed by the Presiding Officer to immediately cease speaking and yield the floor.
- d.)** Permission for any attendee to address the City Council is subject to the Presiding Officer's right to control the meeting pursuant to City Code § 2-29. Comments that are repetitive, or addressing matters that are currently involved in civil litigation will not be permitted.
- e.)** The practice of "delegating" a speaker's time to another individual may be allowed in a limited fashion and only with the specific approval of the Presiding Officer.
