INFORMATION CONTACT: Tammi Saddler

PURPOSE:

To Set the 2024 Advertised Millage (Tax) Rate.

NEED/ IMPACT:

The City of Clarkston received its first Valuation Report from DeKalb County in preparation for the Fiscal Year (FY) 2024 millage (tax) adoption process on May 24, 2024. The City of Clarkston received an analysis of the 2024 Net Tax Digest, the calculated millage rollback rate, and the recommended advertising millage rate. City Staff also completed the attached analysis of the 2024 preliminary digest and the budget impacts.

DeKalb County has requested that our final adopted millage rate be concluded before July 1, 2024. The City of Clarkston set a proposed advertised millage rate of 13.89 mils. This is the millage rate that will be advertised for public information. The proposed millage is not necessarily the same rate the Council will eventually adopt. The final adopted millage rate may be the same as the proposed (advertised) rate or lower than the proposed rate. The final millage rate adopted by the City Council may not be greater than the proposed (advertised) millage rate.

The Council must hold three public hearings if the proposed millage rate is greater than the millage rollback rate of 12.454 mil. The purpose of this meeting is to take public comments on the millage rate for consideration of the final adopted rate. There must be 7 days between the public hearings. Two meetings can be held on the same day with one starting prior to noon, scheduled for June 20, 2024, beginning at 10:00 am, and a second meeting that will begin at 6:30 pm, also on June 20, 2024. The Final public hearing and adoption of the 2024 millage rate is scheduled for 6:30 pm on Thursday, June 27, 2024.

The following represents the Clarkston millage rate history back to Fiscal Year (FY) 2014:

WHAT IS THE MILLAGE RATE & HOMESTEAD EXEMPTION?

Millage Rate: The tax rate that is applied to the assessed value of taxable property to calculate the amount of property tax to be paid. The millage rate is usually stated as “dollars per thousand.”

Homestead Exemption: A legal provision that helps reduce the amount of property taxes owed on owner-occupied homes. Exemptions are established by state law and voted upon by citizens in a given city, county or school district.

Basic Homestead Exemption is one of the local exemptions currently offered for our City of Clarkston residents.

CITY OF CLARKSTON BASIC HOMESTEAD EXEMPTION

To qualify, you must:

- Own, occupy, and claim the property as your legal residence on January 1 of the year in which you first qualify for the exemption.
- The person applying for the homestead exemption must be listed on the deed.
- You must continue to own and live in the home as your primary residence as long as you claim the exemption.

HOW TO APPLY FOR THE EXEMPTION

If you do not already have a basic homestead exemption, you must have applied to benefit. The deadline was April 1, 2024.

All homestead exemption filings are applied for directly with the DeKalb County Board of Assessors' Office by mail, in-person or on-line. For filings, please call 404-298-4000 (DeKalb Property Tax Info).

THINGS YOU NEED TO KNOW

While all homeowners in the City of Clarkston may qualify for a basic homestead exemption, different exemptions may also apply to property taxes for DeKalb County and DeKalb County School District. There are many different exemptions available for seniors and people with full medical disabilities.

- Disability exemptions are also available for veterans and their surviving spouses.
- Exemptions are also available for surviving spouses of peace officers and firefighters killed in the line of duty.
- Many special exemptions have requirements for age and/or income.

Please contact DeKalb
County Tax Commissioner's
Office for further details.
(404-298-4000)

HOW DOES HOMESTEAD EXEMPTIONS REDUCE PROPERTY TAXES?

- Each property is appraised at Fair Market Value
 - The property is then taxed at 40% of the Fair Market Value = Assessed Value
- The homestead exemption amount is then deducted from the Assessed Value = Taxable Value
- Tax amounts are calculated using the city, school & county millage rate X the Taxable Value

ROLLBACK RATE

► ROLLBACK RATE

- The rollback rate is the millage rate that would raise the same amount of revenue as last year if applied to the current value of the property that was on the last year's tax digest.

- Recommended Millage Rate: 13.89

- Rollback value:

Tax Revenue @ 12.454 (rollback) =	\$4,879,076

RECOMMENDATION BY CITY LEADERSHIP

City Leadership is not recommending a Millage Rate Increase in the City of Clarkston.

The Tax Rate will be the same for 2024 as it was in 2023.

The millage rate is established by the levying authority each year.

REASON FOR RECOMMENDATION

- Developing an operating and capital budget for a municipality is a very complex and layered task.
- We analyze personnel and other expenditure requests submitted from departments.
- Our projected revenues must balance with our projected expenditures.
- It is a balancing act between the desired service levels and the cost of those service levels.
- With the revenue projections and expenditures for the FY 2024 budget, we recommend maintaining the current millage rate.

IMPACT OF TAX ADJUSTMENTS AFTER DIGEST WAS FINALIZED IN 2023

The City of Clarkston does not receive the entire amount of property taxes collected.

Based on prior tax year, the City received only 81% of the total projected property taxes.
